DISTILLED AT LOW TEMPERATURES

WITH HIGH ALCOHOL CONTENT THAT ENHANCES THE ORIGINAL FLAVOURS AND AROMAS

A gin inspired by the Dos Picos hills west of Lake Cholila, Chubut, with 53% alcohol, designed to give warmth to the body when venturing into the heights.

ELABORATION PROCESS

△ Wild patagonian juniper

Hand-picked from wild plants by collectors from the mountain areas of El Bolsón and Lago Puelo.

△ Quadruple - distilled

We start with triple-distilled corn alcohol, and re-distill it to obtain four distillations.

△ Cold maceration

2-day maceration to fully extract essential oils from botanicals.

BOTANICALS

JUNIPER

GRAPE FRUIT

The high content of botanicals in the recipe results in intense and complex fragrance and flavour.

PERFECT SERVE:

- △ 50 ml BOSQUE
- △ 200 ml tonic water
- △ Slice of grape fruit
- △ Rosemary branch

Fill the glass with ice. Add BOSQUE and gently introduce tonic water. Garnish with slice of pink grapefruit and a rosemary sprig.
