AWARD WINNING TASTE

NEMIROFF VODKA is a premium imported vodka from Ukraine, made traditionally since 1872.

The lush wheat fields and pure water of the Nymyrv region are the source of this smooth and full-bodied vodka, and a proprietary 11-stage natural filtration system delivers its refined, rich taste.

This versatile and award-winning vodka has clean, crisp aromatics on the nose with hints of apple, lemon peel and mint.

On the palate it's smooth and full-bodied with a hint of spice, citrus and vanilla notes, a touch of apple and a long, dry finish.

Perfect in a Martini or Moscow Mule, try it well-chilled with smoked trout or brie-topped crostini, also holds its own in more extravagant cocktails due to its complexity and character.
